

CJ Patel Group is a diverse group of companies operating with over 90 years of history across a variety of industries all with the common goal of delivering world-class products and services. The CJP Group controls operations of over 13 different companies using a variety of ownership model from joint ventures to wholly owned subsidiaries. With the head office in Suva, CJ Patel Group has extended manufacturing, sales, distribution, and service businesses in Fiji with renowned brands and products and significant exports to several countries and other regional markets such as New Zealand, East Timor, Vanuatu, Kiribati, Tonga, Samoa and Papua New Guinea.

FINANCIAL ACCOUNTANT

Role Description:

This is a full-time on-site role based at **Viti Foods Pte Limited (VFL)**, a subsidiary of CJ Patel Group of Companies. VFL specializes in manufacturing canned tuna and mackerel products for local and export markets. We are seeking an experienced and commercially focused **Financial Accountant** to join Viti Foods Pte Limited, **Laucala Beach Estate, Suva**.

Key Responsibilities:

The role will report to the Finance Manager and work closely with operational teams to ensure accurate financial information, effective cost control and strong financial governance across the business.

- Support day-to-day financial accounting activities, including general ledger, reconciliations, payables, receivables and fixed assets.
- Prepare accurate and timely monthly management accounts and financial reports for the business unit.
- Monitor and analyses production costs, raw materials, labour, overheads and manufacturing variances.
- Manage and reconcile inventory accounting, including raw materials, packaging, work-in-progress and finished goods.
- Prepare financial analysis and investigate significant budget, cost and production variances as required.
- Support the Finance Manager with budgets, forecasts, financial planning and management reporting.
- Work closely with Production, Operations, Procurement, Warehouse and Supply Chain teams on cost and financial matters.
- Supervisor and mentor finance team members.
- Support internal and external audits and provide information as required.

Qualifications & Requirements:

- Degree or higher qualification in Accounting, Finance or a related discipline.
- CA/CPA/qualification or progress towards professional qualification will be an advantage.
- Minimum 5 years' relevant accounting experience as an Accountant or similar senior capacity, preferably within a manufacturing, FMCG, food processing or production environment.
- Strong experience in financial accounting, management reporting, inventory accounting and costing.
- Demonstrated leadership and supervisory skills, with the ability to effectively guide team members.
- Knowledge of manufacturing costing and production variance analysis.
- Strong Excel and ERP/accounting system skills and analytical, problem-solving and reconciliation skills.
- Strong attention to detail and ability to meet strict reporting deadlines.
- Good communication skills and the ability to work effectively with both finance and operational teams..
